[NAAC ACCREDITED AT "B" GRADE]

The Annual Quality Assurance Report (AQAR) of the IQAC

On the basis of the Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) in Accredited Institutions.

Year of Reporting: 2011-12

Brief History of the College:

Ghatgaon as a block coming under the district of Keonjhar of the state of Odisha known as “Tarini Pitha” being sanctified by the sacrosanct spirit of Ma a Tarini” maintains a very high rich and dignified cultural heritage along with a dense forest and having its very few population, it had no instruction of higher learning till 1978. As such, by the spontaneous and selfless endeavor of some enthusiastic noble souls of its locality, long cherished goal and dream of the people came into reality by the existence of “Tarini Thakurani Mahavidyalaya” in 1978. It is one of the oldest educational institutions as Non-Govt. Aided colleges of the Odisha in the District of Keonjhar. Its birth, growth and nourishment to the Maa Tarini Trust Fund and umtech generous sons of the soil at the top of which two outstanding personalities are late Sjt. Bhimsen Rout and SK Issaq. As to initiation of the college, the Govt. of Odisha accorded concurrence for I.A. course under Utkal University from the session 1979-80 and B.A. course from the session 1983-84. in this connection +3 Degree course under Utkal University was introduced from the session 1985-86 with a view to replacing the traditional degree course. No doubt the institution has brought a lot of academic progress on the part of its learners due to the sound academic environment and excellence of the creative teachers.

The institution being setup in a very tribal belt flourished and expanded its educational glory through sound academic progress of the learners by the then creative and resourceful teachers at work considering the higher facilities of the learner, Govt. of Odisha had further added to the expansion of the subjects by extending the concurrence for opening of Honours subjects in History, Political Science and Sociology from the session 1991-92, +3 Science from the session 2001-02 and +3 Commerce stream from the session 2003-04. as per the scheduled law the college came under the North Orissa University, Baripada from 1998. besides the above the institution got a chance for extending Honours facilities in Economics and Oriya in the year 2008-09. in order to give the complete shape in all streams, the college had also submitted its proposal to the govt. for opening of new subjects i.e. Chemistry, Botany and Zoology in +3 Science stream and Psychology in +3 Arts stream and Honours in Education, Accountancy in Commerce streams from the session 2010-11. concurrence in Psychology(Pass) at +3 degree level is awaiting. The Honours in Education subject of Arts stream got its due permission from the Director of Higher Education and students have been continuing the same Honours subject from the session 2010-11. the Director of Distance and continuing educational,

North Orissa University has given due approval for the opening of MBA & PGDCA from the session 2011-12.

The college being established in a very tribal area where the range and scale of educational is very backward still taking a lot of care and pains it has achieved its long cherished goal and dignified status owing to adequate & timely guidance of the esteemed Principals/Staff , pioneering works of its president & members of G.B.

The establishment of Tarini Thakurani Mahavidyalaya have not only adding new dimensions to the aspiration of the people of its locality but also brought a very radical & drastic change by providing ample opportunity for the spread of higher education to every corner of the district and beyond the district too. Academic excellence of the learners is the matter of a galaxy of highly qualified and experienced teachers of this institution. At present this institution is well equipped with providing due accommodation facility to the learners both boys and girls coming from far distance. The institution with proper supervision and timely guidance of the esteemed. Principal Dr Abhinna Chandra Sahu has extended its hostel accommodation e.g. one hostel for the girls and another for the boys. Prof. Upendra Kumar Sahu, Lecturer in Commerce and Dr. Pranati Bhuyan, Lecturer in Botany are acting as superintendent of Boys' Hostel and Girls' hostel respectively. The day is not too far when Tarini Thakurani Mahavidyalaya will stand out as an ideal educational institution on its merits of academic discipline excellence and congenial environment.

Goals:-

Dissemination and expansion of higher education in order to fulfill the exceptions and aspirations of the people of such poor and tribal district in the most cardinal objective of this institution. The institution in such backward tribal district stands as a light-house to enlighten the intellectual pursuits and creative awareness among the people. Apart from imparting higher education of very high standard it aims at creating useful and productive learners through the organization of various socio-cultural activities and making them responsible and resourceful citizens for the betterment of society and nation at large.

Internal Quality Assurance Cell (IQAC):-

The college is accredited at "B" Grade by the NAAC in April 2007. Such grade accreditation by NAAC inspired to all of our staff and students to work with new zeal and enthusiasm to achieve higher grade in ensuing assessment by the NAAC visit. In this connection all our staff have been committed to enhance the all round development of the institution and the learners at large with a view to keep up the glory and reputation of our institution. Our college has entered into the programme in November, 2007 and committee of IQAC is formed as per the scheduled guidelines of the NAAC to look after the sustenance and of the quality of this institution. All the staff members and learners are very much committed to their respective programme of actions including curricular, co-

curricular and extra-curricular activities in order to sustain the quality and glory of the institution.

Vision:-

Sustaining and providing a quality education and generating a sense of moral and cultural values in to the minds of its young learners in order to fulfill their goals for the purpose of producing useful & responsible citizens is the most cardinal vision of our institution.

Mission:-

The desired goal and unique mission of our institution is to make the institution as one of the leading premier institution basically under North Orissa University in the state of Odisha. Accordingly our institution is designed to implement its very planned policies of both curricular and co-curricular activities through the dedicated & determined staff members. In addition to our institution has planned new dimensional curricular schemes to boost up the leadership quality, character and discipline among the young this leaders. For fulfilling and achieving the mission of the institution the on-going service and co-operative team spirit of all the staff members including the students is praise worthy.

The basis of the report (AQAR):-

The self-reviewed annual progress report detailing the tangible results achieved in key areas is submitted herewith. These areas are specifically identified by the IQAC committee in the beginning of the academic year by devising perspective plan. This report is prepared on the basis of the scheduled guidelines for the creation of the Internal Quality Assurance Cell (IQAC) in accredited institution.

Members of IQAC:-

7.	Initiatives taken for infrastructure and construction of building the upstairs of Tarini Soudha		Various measures have been taken for construction of Tarini Soudha in the college premises. The construction work of Tarini Soudha has been undertaken by the Maa Tarini Temple Trust

PART –B:

1. Activities reflecting the goals and objectives of the Institution:-

The institution has a goal of becoming the leading premier institution of Orissa especially of North Orissa University, Baripada. In this regard it has taken lot of steps to enhance both curricular and extra curricular activities by the joint venture and co-operative nature of the existing staff members and students. Besides the above all the departments regularly carry on seminars, debates, competitions, student counselling, remedial classes, unit test & periodical tests and other related test related to the examination orientations etc.

2. New academic Programmes Initiated (UG):-

The institution has opened Chemistry, Botany and Zoology at +3 Science faculty and Accountancy Honorus in the faculty of commerce. Again the ongoing effort for opening of Psychology pas at +3 Degree Arts streams is awaited for making the college a full-fledged one.

3. Innovations in Curricular Design and Transaction:-

The college is affiliated to North Orissa University, Baripada in the state of Odisha. In practice the curriculum is framed & designed by the NOU and the institution has only to follow and implement it in to real practice. Practically there is no scope for any innovation in the curriculum. In this regard our institution has taken only the responsibility to chalk out & execute the same objectives of curriculum for effectiveness of the learners and institution at large. However approval has been obtained from the Director of Distance and continuing Education of North Orissa University to open self financing courses like MBA and PGDCA from the session 2010-11 Besides the above the head of the institution is acting as chairman of the Board of studies in the development of sociology and some other senior staff members e.g. Sri N.Sahu HOD, Pol.Sc. is the member of the board of studies Dr. A.C. Sahu, Senior Reader in sociology and Principal has been nominated as member of Board of studies, D.D.(Auto) College Keonjhar. They used to propose timely advices to the university/college for ultra moderating and designing the set norm of curriculum for betterment of the learners and society at large.

4. Interdisciplinary programmes started:-

The college has introduced Environmental Science as the programme on interdisciplinary study.

5. Examination reforms implemented:-

The nature and the norms of the examinations have been duly set up by the university and our college only conducts & the examinations as per the scheduled rules & regulations designed & framed by the university concerned. Except implanting the rules and conducting examination, the college has to look in to basically the nature & process of examination to be conducted as sound & discipline. The college has no scope for making any sort of reforms excepting giving certain advices and proposals to the university. In order to update the learners and bring their quality development in academy our college makes on going periodical monthly test & unit test on a very regular basis. But above all we have to follow the university pattern of examination to acquaint the students with the university examinations. .

6. Candidates qualified: NET/SLET/GATE etc.:-

Nil

7. Initiative towards faculty development programme:-

Teachers are always encouraged to attend the orientation and fresher course time t time conducted under academic staff college by various universities in order to update their recent knowledge as per the need of the day. Besides the above, our

teaching staff members are also highly encouraged to participate in organization of state and national level UGC sponsored seminars organized in different institutions under the state & abroad. In the current session Sri N. Sahu, HOD, Pol.Sc., Sri P.K.Sinha, HOD, Dept. of Education, Smt. Krishna Kumari Sarangi, HOD, Dept. of History, Sri S. K. Senapati, Demo. in Psychology have attended the state level seminars, organized at various institutions. In connection with this Smt. Krishna Kumari Sarangi HOD, Dept. of History participated & joined in a Refresher Course at Jyoti Vihar, Undser Sambalpur University in Odisha and Sri P.K.Sinha, HOD, Dept. of Education attended the Refresher Course at the academic staff college under Utkal University vani vihar, Bhubaneswar.

Total number of seminars/ workshops conducted:

Our college basically had given due importance to the organization of seminars and debates among the students for the purpose of updating their current knowledge and making them vigilant about the change of educational dimensions in the perspectives of Higher Education. All the departments are encouraged to organize seminar in their respective departments for the said purpose. Accordingly the department of Education has organized three seminars in this session on the following aspects

- (i) A key to success
- (ii) Significance of Education through Ages
- (iii) Innovative vision in the perspective of higher education.

The Department of Sociology organized state level seminar on “Self Help Group and Women Empowerment” from date 18.12.2011 to 19.12.2011.

The Department of Pol.Sc. organized state level seminar on “Good Governance : The Key to national Development from date 24.02.2012 to 25.02.2012.

The Department of Odia organized state level seminar on “Odia Upanayas re Adibasi manakara Vita mati prati Akarshana o mamata” from date 26.02.2012 to 27.02.2012

9. Research projects

a) Newly implemented:

Some Minor Research Projects have been applied by the teaching staff for the approval of UGC during 2011-12. The recommendation of approval is availed by the staff for taking follow-up-measures.

b) Completed:

Research works for Ph.D. are under on-going-process by the staff members and some have applied to Utkal University for the registration of their Research topic. The approval for the same is awaiting for continuation of the same research work.

10. Patents generated, if any:-

No

11. New collaborative research programme:-

Nil

12. Research grants received from various agencies:-

Not Yet

13. Details of research scholars:-

College has not taken any such projects of its own. Teachers are carrying their research works under various Universities. Presently Sri Narayan Sahoo, Reader in Political Science applied to Utkal University for the registration of his research synopsis. Sri Upendra Kumar Sahoo Lecturer in Commerce, Mrs. Sureshbala Nayak Lecturer in Zoology have registered their names and continuing their research works under Utkal University.

14. Citation index of faculty members and impact factor:-

Not Yet

15. Honors/ Awards to the faculty:-

Nil

16. Internal Resources Generated:-

College collects development fees from the students which is the major source of internal resource. Apart from this subscriptions are collected for seminars and various cultural activities.

17.Details of departments getting SAP, COSIST(ASSIST)/ DST.FIST, etc. assistance/ recognition:-

Library, office, examination and admission system have been computerized and made on-line . All sorts of examination works, documents related to transfer certificates, issue of index and intimation as regard to admission is on ongoing process at SAMS college under this institution.

18.Community services:-

Our institution had undertaken various community services and awareness programme in the peripherals.NSS unit of this college had organized a blood donation camp in which to participants joined & donated blood realizing the nature of donating blood to rescue the life poor children and distress. They had also conducted awareness programme on health & Sanitation. Targeting the youth they had also organized anti-drug and anti AIDA programme. Department of education conducted an educational survey in nearby the village and developed the educational awareness for the removal of the literacy among the Schedule Caste and Scheduled Tribe communities for their better prospects. Department of commerce & Department of Economics jointly organized awareness programmes on various self employment programmes of the Government. Department of sociology had conducted the awareness camp on avails of dowry system and child labour. Department of History conducted a awareness camp on presentation on cultural heritage & monuments at Kichakeswari of Mayurbhanj district. Department of political science and conducted the awareness for ensuing fundamental rights and duties of the citizens nearby the villages. As a whole the institution has given due emphasis to sustain & enhance the community services through its staff members and students by linking directly the college with community

19.Teachers and officers newly recruited:-

Eight teachers were recruited on contractual basis in the departments of English, Economics, Sociology, Political Science, History, Oriya and Computer Science to meet the desired and urgent need of growing work loads of this institution.

20.Teaching – Non-teaching staff ratio:-

1.5 :1

21.Improvements in the library services:-

Library is one progress and computerization of catalogue of the library consisting of 12,500 stock of books is having on going progress at work. Besides there is a specific room has been allotted to study centre of the library which is at on work for betterment of the learners. Remedial study centre is also functioning under the guidance of the Asst. Librarian, Mr.Kishore Chandra Pal. New racks, Almirah & selves have been purchased for better storage & display of books.

22.New books/ journals subscribed and their cost:-

New U.G.C. reference books, texts of various streams and journals worth of Rs. 2,18,000.00 were purchased dtd.24.10.2010 from various reputed agencies at cuttack.

23.Courses in which students assessment of teachers is introduced and the action taken on students feedback:

All the departments collect oral feedbacks from the students on the teachers and the department. They plan their course of action on that accordingly.

24.Unit cost of education:

Rs.6,000.00

25.Computerization of administration and the process of admissions and examination result, issue of certificates:

Our institution has installed computer in its various sectors. Library was computerized in the session 2007-08 and in the session 2008-09 the computer was installed for the smooth operational work related to admission and accordingly our SAMS college in totally involved with the process of admission. In the current year all sorts of our examination works were done through computerization process. As a whole had been computerization of administration, the process of admission result and issue of certificates in the session 2010-11 respectively. It has been planned to computersie all the official transaction of the institution and the total examination process in the year 2011-12 in a very full fledged manner.

26.Increase in the infrastructural facilities:

Proposals for financial grants on different projects worth of Rs.5,7,8000/- were submitted to the UGC, out of which Rs.2,1,26000/- has been allocated till date.

27. Technology up gradation:-

The computer of the Principal's office has been connected with the office computer through Local Area Network (LAN). In the coming years LAN connection will be extended to different sections like admission, accounts, library and laboratory etc. A photocopy machine has been purchased for the office has been connected with broad band. An e-admission section has functioned from this session with computers and broad band connection.

28. Computer and internet access and training to teachers and students:

Computer and internet training are given to the staff and students by the department of Computer Science of the college.

29. Financial aid to students:

College doesn't provide any financial aid to the students. Of course it waives out the development fee and fees for various cultural activities from the poor and needy students. Hence forward college plans to provide some financial aid to such students.

30. Support from the Alumni Association and its Activities:

Alumni meeting was held in the college on 08.12.2010. The alumni extends it's support to the students in counseling and in the organization of various cultural activities etc.

31. Support from the Parent-Teacher Association and its Activities:

. The parents-teachers meeting was held on 16.04.2010. the better raport of the parents and their involvement in academic development of the students in the institution was ensured by such meeting parents help the institution in a great way by actively motivating the students for attending their classes on regular basis keeping proper discipline & decorum in the campus. Parental inspiration and co-operation was sought for better qualitative development of education of the learners in the institution. The periodical meeting of the parent teacher Association was concerned as per the need of the institution for the purpose of better guidance of the students in the persuits of the academic development and developing the spirit of awareness about regular attendance for their betterment in the institution.

32. Health services:

Regular practice of Yoga and facilities of gymnasium set up in the college are on continuous process. Every day both Yoga and Gym are practiced in two sessions morning and evening. A blood donation camp was organized at the college in collaboration with a state level NGO. An awareness camp on AIDS “KNOW AIDS NO AIDS” and an Anti Drug Campaign was conducted by the NSS units of the college. Red-cross unit had also conducted an awareness programme on health and sanitation and on managing road accident.

33. Performance in sports activities:

The college organized Annual Athletic Meet in the Session 2011-12. Students in large numbers participated in the Meet. The college also organized Inter-College Cricket tournament of the North Orissa university, Baripada, Odisha successfully. The students also participated in the District Annual Athletic Meet and came out with flying colours.

34. Incentives to outstanding sportspersons:

Till now no incentive is given in such cases. But the college plans to provide suitable incentives to the outstanding sportspersons in coming days.

35. Students achievements and awards:

36. Activities of the Guidance and Counseling Cell:

The Guidance and Counseling Cell of the college guides students choosing the right subjects for them. It also guides them in matters like admission, examinations and their personal problems, if any. Apart from this it counsels the pass out students on higher studies and selection of proper academic institutions

Incentives to outstanding sportspersons:

Till now no incentive is given boys and girls the n in such cases. But the college plans to provide suitable incentives to the outstanding sportspersons in coming days.

37. Placement services provided to students:

College provides general education. In such case virtually there is no scope for placement except counseling the pass out students on the nature and opportunities

of various services. Presently the college is making its plan to introduce some job oriented curriculums like BBA, BCA and MCA etc. in collaboration with IGNOU and North Orissa University. The Director of Distance and Continuing Education of North Orissa University has already given approval for the opening of courses on MBA & PGDCA from 2010-11.

38. Development programmes for non-teaching staff:

College contributes its share to the Employees Provident Fund (EPF) for both the teaching and non-teaching staff members paid out of management fund.

39. Best practices of the institution :

Best practices of the institution includes

- (a) Very peaceful ragging free institution.
- (b) Positive interaction among the staff and students.
- (c) Proper Academic Atmosphere. It has developed Gurukul like study environment.
- (d) Excellent natural scenic beauty of the campus. It is covered with beautiful mango grooves, rounded platforms beneath the mango trees, teak wood plants, concrete roads and annual flowers all around. The lush green plants, shrubs, ornamental plants make the campus simply irresistible. The beautiful greenery and the cool soothing breeze especially in summer keep the visitors spell bound. The natural beauty of the campus acts as the anti dot to wipe out all the day to day tensions and academic pressures and revives one with freshness.

40. Linkage developed with National/ International, academic/ research bodies:

No such linkage has developed yet.

41. Any other relevant information:

N.S.S.:-

The NSS Units of the college had organised both Normal Camps and Special camp during the session 2011-12. The wing organized Normal Camps on dates 7. 7. 11, 15.8.2011, 8.9.2012, 20.10.12, 1.12.2012, 12.1.2013 and 26.1.13 and undertake plantation programmes, observation of Independence day and campus cleaning, Rally on Literacy sanitation Programmes, Awareness meeting on Road Safety and Rally, Observation of Republic Day and Campus cleaning. The NSS Wing organized Special camp from Dt. 21.7.2011 to 27.7.2011 at Nakjhari. The Programmes including road repairing, Sanitation programme, awareness on literacy and campus cleaning.

RED-CROSS:

Red-cross unit of the college under the guidance of Sri Biranchi Narayan Sahu, Deptt. of history & S.K. Senapati, Demonstrator of the deptt. of psychology had organized the blood donation camp with co-operative venture of N.S.S. units and NGO, Keonjhar in our institution in the month of November 2010. In connection with this one awareness programme on the management of the Road accident and disastrous management was also conducted with the help of N.S.S. units of our institution. Besides CYSD of Karanjia launched a very emphatic & valuable awareness programme of malaria irradiation and on awareness of "Dengu" through an audio-video programme.

Campus Beautification:-

Our institution framed a committee taking all the N.S.S. programme officers & sports officer Sri Upendra Kumar Sahoo, Sri Baijayanta Kumar Mohanta and Sri Basudev Sahoo were its active members their duty is to look after the beautification of the campus and preserving and protecting the environment and all its flower plants during the summer & the winter in last year, 2010. Apart from this large number of ornamental and utility plants were planted around the campus under their proper supervision. The performance of the committee assigned to beautification of campus has enriched the greenery & scenic beauty of the campus. The timely assistance of the N.S.S. volunteers has helped a lot to glorify the beauty and cleanness of the campus.

Students' Union :-

Here was an advisory board for the students' union for the session 2010-11 in order to advise and counsel the elected office bearers of this institution for the smooth maintenance of the discipline of the institution. The following members were assigned to remain in the charge of Advisory & Associate Advisory of the students' union

Sri N.Sahu, HOD, Dept. of Pol.Sc.	-	Advisor
Sri P.K.Sinha, HOD, Dept. of Education	-	Associate
Sri B.B.Rout, HOD, Dept. of Commerce	-	Advisor
Sri U.K..Sahoo, Lecturer in Commerce	-	Associate
Sri P. Nayak, Lecturer in English	-	Associate
Sri S.B. Nayak, Lecturer in Zoology	-	Associate

The elected students' union office bearers had organized literacy competitions and cultural activities among the students of +3 Arts, Science & Commerce stream and celebrated the Annual functions in the college Hon'ble Minister of Higher Education Sports & Youth Services Prof. Badrinarayan Patra inaugurated the meeting as the chief guest & esteemed Sub-collector was invited as the guest of honour on the said occasion. The prizes were awarded along with certificates to the competitors securing 1st, 2nd & 3rd position in various co-curricular activities. The annual function was a grand success

with sound cooperation of parents, teachers, local members, ex-governing body members , all the employees and students of the institution.

Curricular activities:-

All the departments had carried on their curricular & extra curricular activities enthusiastically. Course of each department was finished in time. Seminars were conducted regularly. 5(Five) members of teachers had registered for the Ph.D. Some of the teachers had attended the refresher courses and some others had attended seminars and conferences both at state and national level. Counseling of students on academic matters, examination orientations, higher studies and personal problems are done side by side with the teaching activities.

Extra curricular activities:-

Most of the departments had conducted their study tours in last winter. Departments of History, Political Science, Sociology, Education & Commerce had conducted such programmes to various sites of geographical interest such as Hadgarh, Gundicha Gagi, and Bhimkund etc. All the departments of science stream jointly visited various places of historical and cultural interest such as Khandadhar, Gonasika, Ghagra waterfall etc. Apart from this all the departments had conducted welcome and farewell ceremonies and various cultural programmes to enhance the team spirit and organizing skills of the students. Extra-curricular activities like study tours, welcome and farewell ceremonies are regularly done by the departments to develop the leadership qualities.

Cultural activities :-

The cultural committee had organized various cultural programmes such as song, dance, mono-action etc. and had conducted special cultural programme on 15th August, 26th January, Teacher's Day and on National Youth Day etc.

Disciplinary measures taken by the institution:-

Our institution has taken up various measures for proper maintenance of discipline and qualitative improvement of its learners. In order to prohibit the outsiders intrusion in to the campus, the institution framed a disciplinary committee and entrusted the responsibility to Sri N.Sahu, Reader & HOD, Dept. of Pol.Sc., Sri P.K.Sinha, HOD, Dept. of Education, Mrs K.K. Sarangi, HOD, Dept. of History Sri B.N.Sahu Lecturer Dept. of History Sri B.B.Rout, HOD, Dept. of Commerce Sri U.K.Sahoo & Sri B.K.Mhanta programme officers of N.S.S. units. Besides the above the institution has taken a step and framed Anti Ragging Cell , Anti harassment cell under has been set up.

Mr. U.K.Sahoo, Lecturer Dept. of Commerce and Mrs. P.Bhuyan, Lecturer Dept. of Botany remained in charge of boys and girls' unit respectively for better and immediate solution of the students' problems of our institution.

on 15th August, 26th January, Teacher's Day and on National Youth Day etc.

Moral support from the Principal:-

Ex-Principal Dr. Kartik Chandra Mishra relinquished the office on transfer on 21.06.2010. The new Principal Dr. Abhinna Chandra Sahu, Reader in sociology assumed the office on 22.06.2010. He was heartily welcomed to the institution by the staff and students in a special welcomed meeting. Dr. Sahu is a man of versatile genius. He is very intellect well cultured and has a dynamic personality with great vision. His sincere effort and guidance helped to boost up the morals and the work culture of the staff and students. From the day of his very joining he took special interest to enhance the all round quality of the institution. His able leadership will definitely move the institution to go forward.
